

DEPARTMENT OF MENTAL HEALTH DIVISION OF BEHAVIORAL HEALTH

Missouri Model of Crisis Intervention

June 26, 2017
BHECON Forum Poplar Bluff

Missouri Model of Crisis Intervention

- A partnership between law enforcement, the Department of Mental Health, the Missouri Coalition for Community Behavioral Healthcare, hospitals and community stakeholders
- A focus on the right interventions provided in the right way at the right time to improve outcomes and efficiently manage resources

Missouri Model of Crisis Intervention: Components

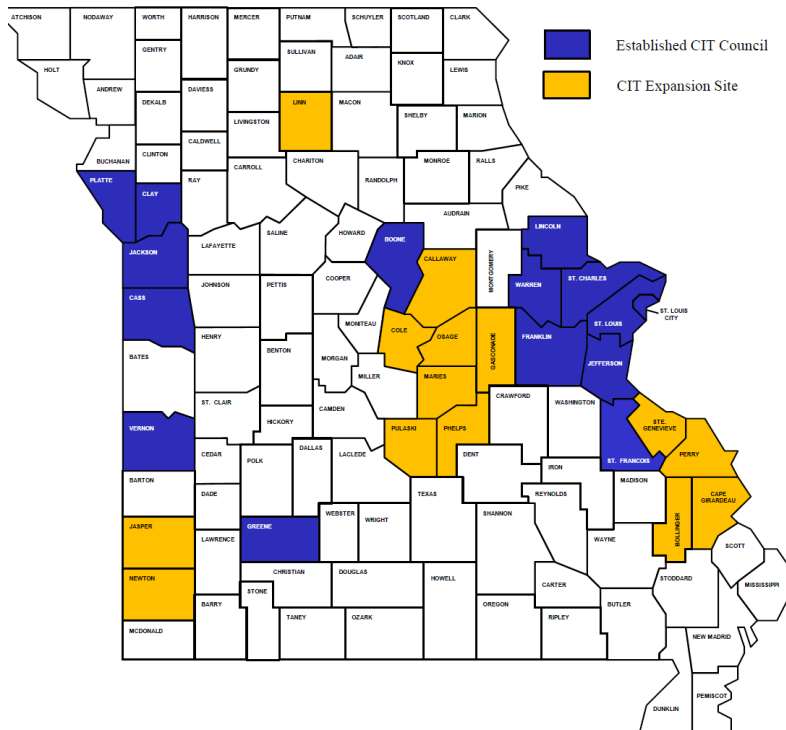

- Crisis Intervention Team (CIT) Program for Law Enforcement
- Community Mental Health Liaisons
- Emergency Room Enhancement Projects
- Mental Health First Aid
- Excellence in Mental Health Act / Certified Community Behavioral Health Clinic
- Local Initiatives:
 - Stepping Up: Pettis and Boone Counties
 - Kansas City Assessment and Triage Center (KC-ATC)

Crisis Intervention Team (CIT): A New Model

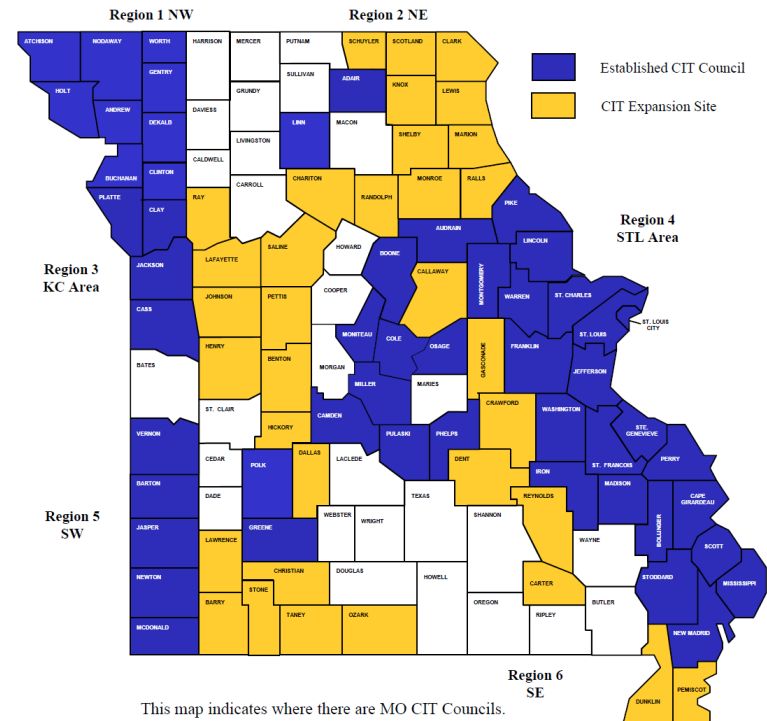

- DMH is committed to provide resources and support to the Missouri CIT Council with the charge to **expand CIT statewide** to any and all law enforcement agencies who seek to be CIT trained and to support the development of local CIT Councils – 6600 LEO trained as of May 2017
- A new partnership with the **Missouri Coalition for Community Behavioral Healthcare** to provide logistical and technical support to the **Missouri CIT Council** to assist **local councils** in establishing and maintaining local councils

Crisis Intervention Team (CIT): A New Model

**Missouri Crisis Intervention Team (CIT)
Program Expansion Map
April 2014**

**Missouri Crisis Intervention Team (MO CIT)
Program Expansion Map
May 2017**

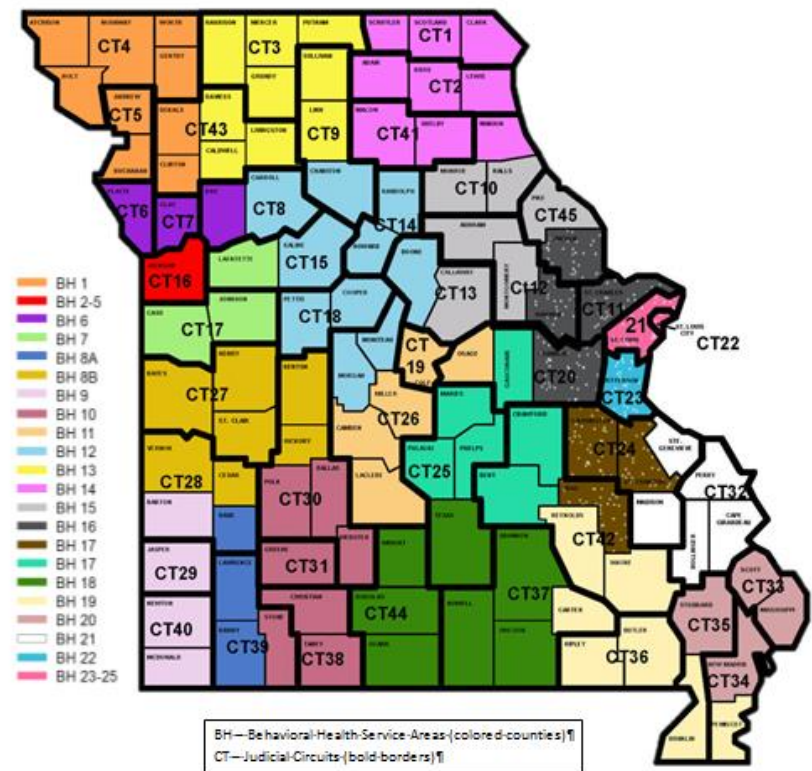

This map indicates where there are MO CIT Councils.

Other areas of the state may have CIT trained officers.

Questions may be directed to Sgt. Jeremy Romo, MO CIT Coordinator, at jfromo@stlouisco.com.

Community Mental Health Liaisons

- CMHLs are mental health professionals employed by the Community Mental Health Centers
- There are 31 CMHLs who provide coverage state-wide
- CMHLs exclusively receive referrals from law enforcement and courts

Community Mental Health Liaisons

- 43,087 contacts with law enforcement
- 27,912 referrals
- 568 POST certified trainings on mental health topics provided to law enforcement at no charge
- 8,023 officers trained

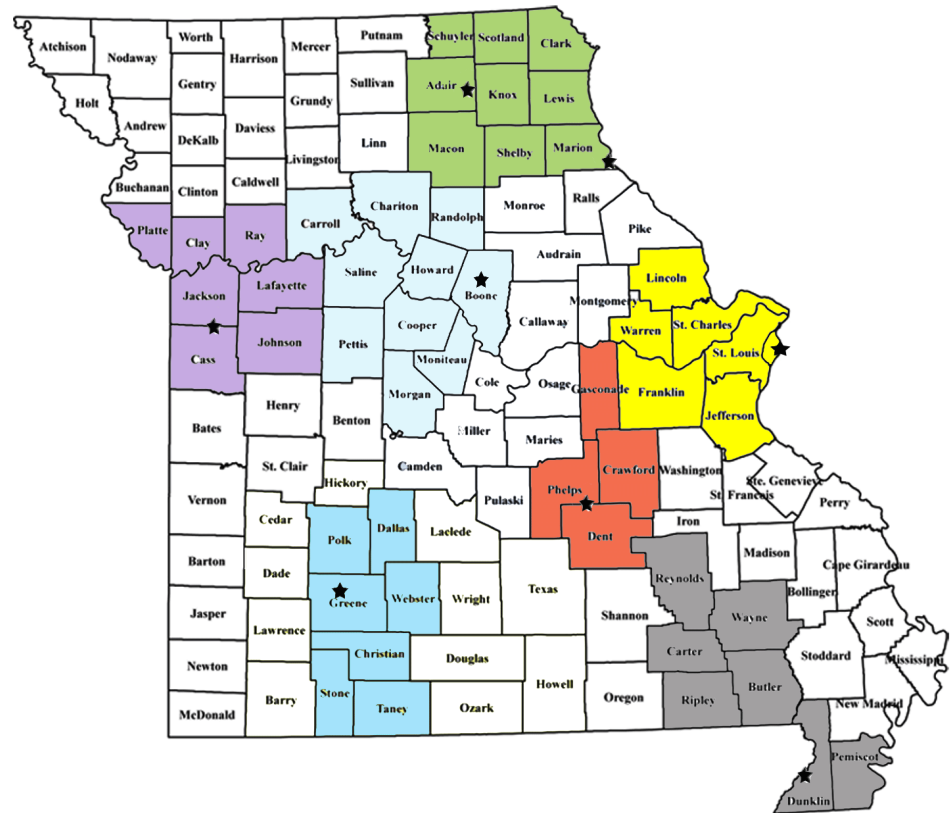

*Data as of March 2017

Emergency Room Enhancement Project

- Assists with individuals in a behavioral health crisis who present to Emergency Rooms
- Coordinate care and engage individuals into ongoing treatment

Emergency Room Enhancement Project

- Kansas City
- Springfield
- Columbia
- Rolla
